Copyright Restrictions

Unless otherwise noted, all written material, diagrams, tables and images, subsequently referred to as "The Copyrighted Material" is protected by both United States and International Copyright Laws.

Eco-Photo Explorers retains exclusive rights to ownership of all copyrighted material.

"The Copyrighted Material" **may not** be:

- Reproduced by any photographic, electronic or mechanical means.
- Distributed to the public by sale, transference of ownership, rental, leased or lending.
- Displayed for profit.

Eco-Photo Explorers may grant permission to use, copy, modify, and distribute this "The Copyrighted Material" provided that the copyright notice shown below and direct reference to the original source **Eco-Photo Explorers** appear on all copies of these derivative works and the recipient obtains prior written authorization from Eco-Photo Explorers.

To receive written authorization to use "The Copyrighted Material", please email or write Eco-Photo Explorers. Upon receiving and accepting this authorization, the recipient agrees to all applicable copyright laws.
